STELLAR PHARMA
CONSULTANCY

Our Vision

To be the partner of choice for Healthcare & Pharma Corporations; by providing innovative & impactful consultancy services to enhance their patients overall journey.

We ensure that our clients will achieve outstanding patient experiences and overall outcomes.

Our History

Stellar Pharma Consultancy was established in 2018 in the heart of Dubai, UAE. We provide specialized consultancy services to the Pharma & Healthcare sectors in the MENA region. We also provide support and work alongside the Pharmaceutical & Healthcare Corporations/ Government entities to explore, establish and/or enhance their projects and businesses in the region.

Our team is made up of expert professionals with vast experience in the region specialized in the fields of governmental affairs, regulatory solutions and building partnership programs and alliances within the Pharmaceutical & Healthcare related industries.

We help our clients navigate the challenging landscapes by uncovering the unmet needs from a public health perspective. Over at Stellar Pharma, we pride ourselves with the relationships we build and the results we achieve.

Additional Services

Commercialization support services

- Support in finding the right distributor
- Market Research
- Market Intelligence

Along with our sister company, a Licensed Medical Store, we are able to provide well-rounded solutions for your regulatory strategy to effectively plan and execute on the ground.

Our Services

Regulatory Solutions

Regulatory Solutions is principal for the success of a products business development process. We at Stellar Pharma are able to help business developers with innovative regulatory solutions. We guide our clients through the entire regulatory process by ensuring their product be placed in the market at the right time, with the right configuration of labelling and optimal price, to achieve and maintain leadership status in the market.

Governmental Affairs

Governmental affairs is an essential domain for the growth and sustainability of corporate organizations worldwide. Stellar Pharma is vigilant of the growth of the pharmaceutical industry in the region and is here to address the emerging challenges and opportunities by offering clients a unique capability of operating at the critical intersection between business and governmental authorities.

Patient Empowerment Programs

It is critical for Healthcare corporations to place their patients at the center of operations. Stellar Pharma provides the right technical knowledge to support clients on their patient centricity journey. Starting with reaching out to patients, mapping their journey, building the conceptual frameworks for their attitudes & interactions. We also design and execute while utilizing the right tools & resources to help them take informed decisions to
